ALMA MATER

Hail to Crisfield High School where friendships have begun.
By work and play, from day to day we learn to love her more.
In field and hall, with honors high, we raise her praises to the sky.
And always her colors the purple and the gold
Remind us of school days until we are old.
So from her halls to the world we go
Happier and wiser and ready to show
That in our hearts always will lie
Our undying love for old Crisfield High.

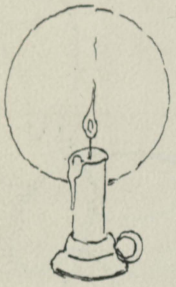
Dedication

"I love to think her like a blessed candle
Burning through life's long night,
Quietly useful, simple, gentle, tender,
And always giving light." - Shippey



The staff of the 1962 Sea Shell dedicates this volume to a teacher whose professional dedication, whose genuine and deep interest in her students and fellow-teachers, and whose entire life is as the light from a "blessed candle" - a shining example for all who know and love her - MISS CATHERINE PARKS.

Very best wishes to you, Ronnie!

Since four of last year's championship team graduated in June 1961, it was necessary to rebuild the team almost entirely this year. Coach Morgan did this very capably as the team record will attest, and the players performed extremely well. The scores will also attest to the fact that the season was filled with thrills. There were many highlights in this 1961-62 season, such as the two unbelievable wins over previously undefeated Pocomoke, and victories over Wicomico, Stephen Decatur and Cambridge High Schools.

Jay-Vee's

The Jay-Vee team - coached by Mr. Woolston - compiled a very creditable 11-4 won-loss record.

ALMA MATER

Hail to Crisfield High School where friendships have begun.
By work and play, from day to day we learn to love her more.
In field and hall, with honors high, we raise her praises to the sky.
And always her colors the purple and the gold
Remind us of school days until we are old.
So from her halls to the world we go
Happier and wiser and ready to show
That in our hearts always will lie
Our undying love for old Crisfield High.
